ABOUT MEDFUTURE INDIA

MedFuture India Exhibition & Conference is set to redefine the landscape of healthcare and medical technology.

As an inaugural gathering, it will bring together top innovators, industry experts, healthcare professionals, and policymakers to explore revolutionary solutions that are redefining the future of healthcare. From state-of-the-art diagnostics to cutting-edge technologies that enhance patient care and operational efficiency, the event is set to provide a unique platform for discovering new trends and developments.

Don't miss this opportunity to connect, collaborate, and contribute to the future of healthcare!

ABOUT ORGANIZERS

SERVICES INTERNATIONAL

For more than 30 years, Services International has empowered exhibitors with a premier platform to elevate their products and services on a grand scale. SI has held many successful events such as Fire India, Drone Expo, Safetyex and Disaster Management etc. It has provided a big dynamic platform for B2B and B2G companies by hosting Exhibitions and Conferences.

SI is thrilled to commence a Medical Exhibition titled MedFuture India in collaboration with AHPI (Association of Healthcare Providers India) to encourage Innovation and connect with industry leaders. Services International has many strengths, with understanding the industry's needs and serving them accordingly being the foremost. SI has established itself as the most sustainable business platform.

ASSOCIATION OF HEALTHCARE PROVIDERS INDIA (AHPI)

Association of Healthcare Providers has an extensive majority of Healthcare providers across the country. This PAN India Not-for-Profit organization was registered as SOCIETY under the Indian Society Registration Act in 1860 and welcomes all Healthcare organizations like Hospitals, Nursing Homes, Clinics, Diagnostic Centres, Medical Equipment Companies, Insurance Providers and people who believes in the aims and objectives of AHPI.

The Association of Healthcare Providers (India)'s vision is to have a healthy India, encompassing society, community and common man at grass root.

SI is all set to collaborate with AHPI for the MedFuture India Exhibition and help shape the healthcare of India.

ABOUT CONFERENCE

The theme of the conference is **"Innovating Medical Education & Training: Shaping the Future of Healthcare."** The Association of Healthcare Providers India (**AHPI**), a leading advocate for healthcare improvement, represents over 20,000 hospitals and institutions. With a focus on building a skilled healthcare workforce, AHPI is hosting a two-day conference on **November 02nd - 03rd, 2025**, at the **Novotel Convention Center Jaipur**. This event will gather healthcare educators and leaders to discuss key trends, including technology integration, competency-based medical education, and patient safety. The conclave aims to share best practices and foster dialogue to elevate medical education standards in India.

WHY EXHIBIT AT MEDFUTURE INDIA ?

- **Access to Key Decision-Makers**

MedFuture India offers a perfect platform to build relationships with leading Hospitals, clinics, Healthcare Institutions and more.

- **Foster Innovation & Collaboration**

It provides a space to create partnerships for developing innovative medical technologies and research initiatives that advance healthcare.

- **International Business Expansion**

It is a breakthrough to meet International Distributors, Investors and Healthcare Professionals.

- **Build Trust through Personal Interaction**

MedFuture India provides an ideal platform for building personal relationships with healthcare professionals, clients and partners.

- **Start-Up Zone**

A hub for emerging ventures to connect, showcase innovations, and explore funding opportunities.

- **Explore B2B and B2G Opportunities**

MedFuture India is a hub to strengthen relationships with Government Agencies and Public Health Organizations.

- **Enhance Product Credibility**

Gains trust of Medical Experts by allowing them to see and experience your products first hand in real time.

- **Benchmark Against Competitors**

It gives you the opportunity to understand the market trends, evaluate your position and identify areas for improvement.

- **Immediate Sales Opportunities**

Direct interaction with potential buyers provides a prime setting to generate leads and potentially close deals right on the exhibition floor.

- **Innovation Zone**

A platform to launch breakthroughs and connect with stakeholders shaping the future of healthcare

WHY JAIPUR?

Rajasthan is promising market for a medical equipment exhibition for several reasons:

First of Its Kind :

MedFuture India, the inaugural event in Jaipur, will showcase advanced healthcare innovations and bring together industry leaders and professionals to explore collaboration opportunities. As a growing hub for medical excellence, Jaipur fosters connections and knowledge sharing to drive the next wave of healthcare advancements.

Growing Healthcare Infrastructure:

Rajasthan is enhancing its healthcare infrastructure by building new hospitals and diagnostic centers, particularly in cities like Jaipur, Jodhpur, Udaipur, and Kota. This growing network requires modern medical equipment and technologies to provide quality care.

Government Initiatives:

The Government of Rajasthan is improving healthcare services, particularly in rural areas, through initiatives like the Mukhyamantri Nishulk Dava Yojana (Free Medicine Scheme) and Bhamashah Swasthya Bima Yojana (Health Insurance Scheme).

Medical Tourism:

Jaipur, Udaipur, and other cities are emerging as popular medical tourism hubs, attracting patients for various treatments and increasing the demand for cutting-edge medical equipment.

Expanding Private Sector:

The private healthcare sector in Rajasthan is expanding, with leading groups like Fortis, Medanta, and Manipal investing in the latest medical technology.

Large Rural Population:

Rajasthan's large rural population needs better access to healthcare, driving demand for affordable medical equipment suited for rural and semi-urban centers.

VENUE INSIGHTS : JAIPUR EXHIBITION & CONVENTION CENTRE

The MedFuture India will be conducted in Jaipur Exhibition & Convention Centre, Jaipur. This Exhibition Centre is the largest and pillarless space utilized for Exhibitions, Conventions, Corporate Meetings, Seminars and Entertainment in South Asia.

- The Jaipur International Airport is located 9.8 Km away from the Jaipur Exhibition & Convention Centre.
- The Jaipur Railway Junction is located 17.4 Km from the Exhibition Centre.
